

DIRECTIONS TO GENERATOR STUDIOS

FROM THE SOUTH

Head towards Newcastle city centre over the Tyne Bridge on the A167. Just over the bridge take the left hand slip road to Swan House roundabout. At Swan House take the fourth exit onto the A186 (City Road).

Follow the road downhill for 100 metres under the railway bridge, turn left and Generator Studios is the large purple building on your immediate right.

FROM THE NORTH

Follow the central motorway (A167M) towards the city centre. After passing an underpass, take a left hand slip road signposted A186, WALKER, CITY CENTRE SOUTH and follow up to Swan House roundabout. Take the first exit onto the A186 (City Road).

Follow the road downhill for 100 metres under the railway bridge, turn left and Generator Studios is the large purple building on your immediate right.

PARKING

There is normally plenty of visitor parking at the front of Generator Studios, in through the main gates. If there are no spaces on arrival, please park in the centre of the courtyard or right outside the gates and inform reception.

Alternative public parking is available at Manors.
